Fanny Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Cosette Beauvais is a risk taker with a capital R. When her daredevil behavior leaves her paralyzed, her uncle ends her suffering by turning her into a vampire. In no time she makes her mark as one of the most cunning female vamps in existence. Though her fearlessness is admired in her violent new world, her impulsiveness leaves her with terrible regrets. By violating the rules, she kills a young human while feeding from him. The selfish deed haunts her, causing her to steer clear of men who attract her both physically and mentally. After she breaks with a vampire kingpin named Tristan who tried to turn her against her uncle and her own vampire family, her life spins out of control. Bloodthirsty wolves, a new threat to the Savannah area, stalk her daily. She is dead set on finding the source of the attempts on her life and repairing the strained ties with her uncle Severin, so the last thing Cosette needs is a devastatingly sexy new human in her life. Colton Brennan is a massive Montana cowboy, a skilled fighter who has sworn to win Cosette's love. Try as she might, she can't resist the passion he has ignited within her, no matter what the consequences. Can this human provide the love and protection Cosette has unwittingly craved? Meanwhile Tristan and his power-hungry clan are on a quest for Southern vampiric domination. Can Cosette and her Charleston-based vampire family survive their brutal onslaughts? Book 2 in the Past Midnight series.
