Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The good news is that we are in good company; Bible figures had the same problem. Learning how the brain functions and how those that have gone before us have dealt with uncomfortable, challenging, and inspiring situations will help today s everyday reader better make decisions and choice wise words. Building relationships, controlling anger, and understanding how words are interpreted is what human interaction is all about. I Wish I d Said That deals with some Old Testament Bible figures that used the wrong words and actions and dug themselves a hole and a few that made wise word choices and changed the lives of those around them irrevocably. Author Dr. Jim Rennell puts together a group of encouraging lessons that can help any reader develop better communication skills. Teaching plans and procedures are included.
