BROKEN WING (PAPERBACK)

Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 226 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.It is raw but real, it will allow you to feel the hell one goes through when you walk in the shoes of a dual-diagnosed patient. You are about to be taken on a journey of addiction and the avenues of mental illness that are intertwined. You will be shown just how deep genetics runs through the veins of this horrific disease. As you turn each page, you will go down the paths of many trials and tribulations, the ups and downs, and ins and outs of addiction, depression, and, at times, psychosis. Faith and dreams are what it takes to survive where many loved ones never did. This book may answer some questions you've been afraid to ask. This book is a beautiful testament to love and faith and the strength of both. Terrell's story shows the strength of the disease of addiction. It is a beautiful path she takes us on, an incredible voyage through the forest and the gloom of doubt and fear, into the sunshine of love and healing. I cannot recommend this book highly enough; it gives us all hope and shows us the way to get through the darkest hour, the longest night into a bright and beautiful morning. I give this book a five out of five stars; I give it a ten out of five! Please, everyone, read this amazing book. Go on this incredible journey with Terrell. For any family that has ever experienced the pain and chaos of addiction, this amazing story will leave you with hope. -Patricia Jane Weiss, PhD, neuropsychologist.
