Brand New Book ***** Print on Demand *****.Middle school students are exposed to a lot of outside influences they don't necessarily understand. It's important to establish moral guidelines and role models early on, so they can grow with a strong understanding of Christian values. Where better to look for these role models than in the godly heroes of the Bible? The Talksheets series returns with another year of thought-provoking stories from the Old Testament to discuss with your youth group or bible studies. David Lynn shares discussion topics and questions written specifically with middle school students in mind, promoting meaningful and thought-provoking conversations. The stories in these pages highlight pure moral principles and practices for teenagers to learn about and emulate. Each of the 52 epic bible stories is easy to use and fit to your lesson plan, including hints and tips to facilitate conversation. These lessons also include optional activities, giving teenagers the opportunity to actively participate and have fun while they learn.
