Delacorte Books for Young Readers. Paperback. Book Condition: New. Paperback. 368 pages. Dimensions: 7.9in. x 5.2in. x 0.9in. As John Green, New York Times bestselling author of *The Fault in Our Stars* said, *King Dork* will rock your world. The cult classic from Frank Portman, aka Dr. Frank of the Mr. T. Experience, is a book like nothing ever done before--*King Dork* literally has something for everyone: At least a half-dozen mysteries, love, mistaken identity, girls, monks, books, blood, bubblegum, and rock and roll. This book is based on music--a passion most kids have--and it has original (hilarious) songs and song lyrics throughout. When Tom Henderson finds his deceased father's copy of J. D. Salinger's *The Catcher in the Rye*, his world is turned upside down. Suddenly high school gets more complicated: Tom (aka King Dork) is in the middle of at least half a dozen mysteries involving dead people, naked people, fake people, a secret code, girls, and rock and roll. As he goes through sophomore year, he finds clues that may very well solve the puzzle of his father's death and oddly reveal the secret to attracting semi-hot girls (the secret might be being in a band, if he can find a drummer who can count to four). A brilliant story, *King Dork* includes a glossary and a bandography. And look for *King Dork Approximately*, the sequel to *King Dork*, available in winter 2014. Praise for *King Dork*: Basically, if you are a human being with even a vague grasp of the English language, *King Dork* will rock your world. John Green, author of *The Fault in Our Stars* No account of high school has made me laugh more than *King Dork*. . . . Grade A. Entertainment Weekly Impossibly brilliant. Time Provides a window into what it would be like...
