Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Brand New Book ***** Print on Demand *****.Lyman Frank Baum (1856-1919) is best known today as the author of The Wonderful Wizard of Oz, a children s story written in 1900. But following the success of that book, Baum wrote thirteen other Oz stories before his death from a stroke in 1919. Moreover, Baum wrote dozens of other children s tales, plays, and general stories. He was extraordinarily prolific, churning out five books in the year 1907 alone. In addition to this immense body of work, Baum worked as a journalist, a printer, a chicken breeder, an actor, a theater manager, an oil salesman, a playwright, and many other equally esoteric occupations. Despite this litany of accomplishments, it is that one little story about a Kansas girl and her dog that people remember, and even that is due to the 1939 film adaptation with Judy Garland as Dorothy.
