Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Parent-Teacher Associations in Rural and Village Schools Of this bulletin it may be said it carries to the right people the right message at the right time from the right woman. Addressed to rural communities it goes to the right people because, while so much has been written and published for urban communities that is suitable only for solution of urban problems and can be effectively practiced only under urban conditions, comparatively little has been prepared for the problems and conditions of rural life. This bulletin is designed to meet just those problems and conditions that distinguish rural from urban communities, and is therefore a valuable contribution to a national need for which so few well-considered and useful contributions have been made. It carries the right message because it lays special stress upon the importance of health and the need of improving rural conditions in the direction of better sanitary customs, regulations and equipment. It will not be easy to provide in the country districts the sanitary plumbing, draining, sewerage and water supply of cities;...
