Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ON THE WINGS OF DESTINY

KW Publishers, New Delhi, India, 2010. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. This volume is the life story of Air Chief Marshal Dilbagh Singh PVSM, AVSM, VM written by him before his unfortunate demise. Acknowledged as an outstanding professional fighter pilot and an outstanding commander during his four decades of service in the Indian Air Force, he was an imposing personality, tall, upright, smiling, confident and a born leader who set very high standards for himself and everyone under his command. He possessed great skills not only in operational matters, but also a mature understanding of the key role of the human element in the exercise of leadership. This book is an example of Dilbagh's extraordinary skills in recording not only a narrative of daily life starting decades ago in the Air Force, but the emotional element that brings each event, each incident, alive. His style is frank and forthright but laced with a charming touch of humility. Noteworthy also is and this soon becomes apparent that many paragraphs are narrations with a purpose, a deliberate choice to underline an important point happily often peppered with wit and humour! The vivid account of his forty years in the Air Force also bears testimony to his truly remarkable memory of events and incidents from the very start of his career, memories of colleagues and friends, of emotions, of aspirations, and of the pulls and pressures of the all too frequent challenges and crises, big and small; and how he faced and surmounted each. It is so true that those of us who have spent the best years of our lives in the Air Force and want to live them all over again, cannot do better than to take to the skies 'On The Wings of Destiny'! For...
