THE MAFIA RATS (PAPERBACK)

New Generation Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Mafia Rats is the most hotly anticipated and sensational book to hit the British shelves. Branded already a modern classic, this completely original book is like nothing you have ever read before. Intelligent, vibrant and teeming with the creatures and wildlife indigenous to Britain, this is aimed for children and adults alike and will be missed at your peril. Enjoy and suffer as the extraordinary world of amazing creatures opens before your eyes. Shy away from the millions of hideously evil, filthy, filching, fiendish Mafia rats and their fantastically corrupt Protection Racket; pity the opium-sodden Bumblebee; laugh at the monocled Toad; empathise with the gentle Squirrels and listen to the wisdom of the revered Old Owl as the evanescent emanation of the Master of Maleficium permeates the book, where life to him matters not one jot. Celebrate the Astonishing Ball (nature at its best) and witness the agonising deaths in the Terrible Battle (nature at its worst); despise the Cult of the disaffected young; admire the brave Honey Bees and sympathise with the lone 142857 - just one more Drone from the Hive. Weep for the Grand Duke Badger and his seditious book and his tragedy that strikes in the first chapter and pray for his hopes for the future of his kind, tied up in the fate of the garrulous and feckless Prince Brocco, oblivious to most things round him. Despise the Geese; learn from the Guard Rabbits; abhor the Siamese Cat and dread the might of the Soldier Ants, Soldier Beetles, Stag Beetles and the Soldier-flies. Feel for the old Tortoise, identify with the revengeful Spiders and chuckle at the poor, truncated Brandling...
