CreateSpace Independent Publishing Platform, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This book is an intensive beginning program of perceptual-motor activities for ALL your preschool to first grade students AND your special education classes. Like the Level-2 book, it is fully illustrated, covers a 25 week period, contains program background setup information, evaluation scale, performance objectives, equipment construction diagrams (or equipment sources, if you don't want to make your own), plus activities kids can do at home, and special Perception Games the teacher can use to go along with the programmed activities, and especially helpful sample letters to parents and organizational forms and information in setting up your own Perceptual-Motor Program. Each week is made up of three activity stations and is sequenced according to difficulty. Activity pages can be easily cut out, laminated, and used as individual activity cards!.
