Our preliminary analysis indicates that several measures are outcome-oriented, such as those for Goal 2, Objective 4, Initiative 1 (increase civic involvement in all phases of disaster preparedness) that has outcome measures such as the percentage of the population that has taken steps to develop personal preparedness and the percentage of the population familiar with workplace, school, and community emergency plans. However, the majority of the presentations performance measures and targets are process-or output-oriented and may not match the desired result of the initiative. For example, the Goal 1, Objective 4, Initiative 2 (facilitating practitioner priorities into the program development process) desired outcomes are (1) an easily understood process for participation and feedback of the practitioner stakeholder communities to influence programmatic initiatives and priorities defined in Goal Groups 2, 3, and 4 and (2) an awareness and increased participation in the range of resource opportunities. Measures for this initiative include communication across Emergency Support Functions (ESFs), an accountability chart, and governance guidance...
