

The Rules of Love: The Truth about Compassion, Attraction and Romance (Paperback)

By Daniel Marques

Createspace, United States, 2012. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Love and breakups are part of an existential cycle that nobody can live without, even though they manifest in different levels and under a variety of unpredictable scenarios. The emotional suffering and joys that such experiences bring can't be erased from memory, so it's important to confront them and analyze personal beliefs wisely. Such exercise requires the understanding of the purpose of love and its positive outcomes. And, even though it may be interpreted differently by each person, it can be conceptualized and redefined according to experience. The most common approach to love is the need to share a life together with another person, which allows us to label those we meet as willing or unwilling, while being aware of who we attract and reject. This said, relationships fail when the path shared diverges into more than one single direction. However, the one being rejected knows that he or she has failed in providing something necessary for the two paths to become unified. As an example, a woman that criticizes men, makes them feel rejected and...
