

How to Plan a Sustainable Event: A Guide for Creating a Waste Wise Event (Paperback)

By Julia L Wright

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Pick up this easy to follow guide at its introductory price. If you organize any type of event or festival, this is the perfect guide to help you easily create one that is more Waste Wise. Creating a more sustainable event or festival should be the goal of every event organizer and festival coordinator. It doesn't matter the size, or type of venue the event or festival will be held at, there are a variety of ways to make any event more Eco-friendly, Waste Wise and sustainable. This book contains simple steps to take to create a more sustainable event or festival. Any event coordinator can implement at least one step in their next event to make a positive change and set an example for other event coordinators in their area. Creating a sustainable event or festival takes vision and commitment from the organizing group and individuals within that organization. Any type of event or festival can be both very successful and more sustainable with a minimum amount of effort. Creating a sustainable event or festival has...
