Octavia is profoundly deaf but at night she can hear disturbing noises in the house. When questioned by Dominic as to what she can hear, she replies: 'voices'. Two nights later she comes into his bedroom to tell him that the dead children in the house want them to leave. And then Octavia falls mysteriously ill .during her sickness she tells Dominic he must go to the attic. There, he releases an older, darker evil that threatens the lives of Olivia and himself. Praise for Naomi's Room: "A chilling story which gives the lie to any notion that supernatural horror is remotely theraputic. Aycliffe has a fine touch". (The Independent). "Naomi's Room must rank among the finest of English ghost stories.They certainly don't come any more dark and fearsome". (Newcastle Evening Chronicle).
