The Rise and Fall of Early American Magazine Culture

By Jared Gardner

University of Illinois Press. Paperback. Book Condition: new. BRAND NEW, The Rise and Fall of Early American Magazine Culture, Jared Gardner, Countering assumptions about early American print culture and challenging our scholarly fixation on the novel, Jared Gardner reimagines the early American magazine as a rich literary culture that operated as a model for nation-building by celebrating editorship over authorship and serving as a virtual salon in which citizens were invited to share their different perspectives. The Rise and Fall of Early American Magazine Culture reexamines early magazines and their reach to show how magazine culture was multivocal and presented a porous distinction between author and reader, as opposed to novel culture, which imposed a one-sided authorial voice and restricted the agency of the reader.

Reviews

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.
