To get **Learning Elixir (Paperback)** PDF, remember to follow the link under and download the document or have accessibility to additional information that are have conjunction with LEARNING ELIXIR (PAPERBACK) book.

Packt Publishing Limited, United Kingdom, 2016. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book. Unveil many hidden gems of programming functionally by taking the foundational steps with Elixir About This Book * Explore the functional paradigms of programming with Elixir through use of helpful examples * Concise step-by-step instructions to teach you difficult technical concepts * Bridge the gap between functional programming and Elixir Who This Book Is For This book targets developers new to Elixir, as well as Erlang, in order to make them feel comfortable in functional programming with Elixir, thus enabling them to develop more scalable and fault-tolerant applications. Although no knowledge of Elixir is assumed, some programming experience with mainstream Object-Oriented programming languages such a Ruby, Python, Java, C# would be beneficial. What You Will Learn * Explore Elixir to create resilient, scalable applications * Create fault-tolerant applications * Become better acquainted with Elixir code and see how it is structured to build and develop functional programs * Learn the basics of functional programming * Gain an understanding of effective OTP principles * Design program-distributed applications and systems * Write and create branching statements in Elixir * Learn to do more with less using Elixir s metaprogramming * Be familiar with the facilities Elixir provides for metaprogramming, macros, and extending the Elixir language In Detail Elixir, based on Erlang s virtual machine and ecosystem, makes it easier to achieve scalability, concurrency, fault tolerance, and high availability goals that are pursued by developers using any programming language or programming paradigm. Elixir is a modern programming language that utilizes the benefits offered by Erlang VM without really incorporating the complex syntaxes of Erlang. Learning to program using Elixir will teach many things that are very beneficial to programming as a craft, even...
