Thistle Publishing, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.The end of civilization, as Peter Maxwell knows it, is just around the corner. It comes in the form of Fiona Braymarr, the new superhead of Leighford Academy. She is a new broom, sweeping away the cobwebs of educational mediocrity and she sweeps good people along the way. And the odd thing about her? She has no past. And within days of her arrival, two local women have no future; one is found dead in a car showroom, the other is stabbed at the foot of her own stairs. Two murders so closely linked in time and space must surely be connected. Maxwell s wife, DI Jacquie Carpenter-Maxwell, thinks so. So does her boss, DCI Henry Hall. And Maxwell? Well, it s hard to keep a good amateur sleuth down, especially when the kids of the deceased attend Leighford Academy. So he takes it all personally and puts his life on the line in the process. He s got a murderer to catch and a school to save. Whatever will he find to do after lunch?.
