

## Ghosts (New edition)

Filesize: 3.51 MB

### ***Reviews***

*This ebook will be worth buying. It usually fails to price an excessive amount of. You wont feel monotony at whenever you want of your respective time (that's what catalogs are for regarding in the event you check with me).*

*(Ernest Vandervort)*

## GHOSTS (NEW EDITION)

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Ghosts (New edition), John Banville, 'A beautiful, beguiling book full of resonances that continue to sound long after you've turned the final page. Its imagining is magical, its execution dazzlingly skilful' - "Sunday Tribune". "Ghosts" opens with a shipwreck, leaving a party of sightseers temporarily marooned on an island. The stranded castaways make their way towards the refuge of the isle's reclusive savant; but the big isolated house which is home to Professor Silas Kreutznaer and his laconic assistant, Licht, is also home to another, unnamed presence. Onto this seemingly haunted island, where a strange singing hangs in the air, Banville drops a scrumptious cast of characters - including a murderer - and weaves a tale where the details are clear but the conclusion polymorphous - shifting appearances, transformations and thwarted assumptions make this world of uneasy calm utterly enthralling. 'As fascinating, complex, stimulating and energetic as any work of art .A work which proves Banville as a master, the artist in total control of his craft' - "The Times". 'John Banville's funniest book .another triumph by our most outrageously inventive and daring novelist' - "Sunday Independent". 'Makes this astonishingly attractive novelist one of the most important writers now at work in English - a key thinker, in fact, in fiction' - "London Review of Books".
