Bison Original. Paperback. Book Condition: new. BRAND NEW, Wright Morris Territory: A Treasury of Work, Wright Morris, Alicia Christensen, David Madden, Best known for his novels, including the National Book Award winners *The Field of Vision* and *Plains Song*, Nebraska-born author Wright Morris has long been regarded as one of America's most gifted writers. This volume, culling work from the photo-text books, criticism, and numerous short stories frequently overlooked among his oeuvre, reflects the true breadth of this quintessentially American artist's talents. As such, it offers a fascinating overview of Morris's inspiring accomplishments in multiple genres. While embracing the prose for which Morris is justly famous, this treasury of work also highlights his photography and other literary genres, including hard-to-find stories first published in magazines, some of which were early drafts of future novels. Edited by Morris's long-time friend David Madden, this one-of-a-kind collection captures a man of multifarious genius. Replete with interviews, photography, a biographical sketch, suggestions for further reading, and Morris's inimitable writing, this compendium is an indispensable resource for those who wish to understand and appreciate the brilliance and virtuosity of one of America's true talents.
